FOODEX JAPAN 2021: Feasibility of Conduct of Exhibition

The organizer of FOODEX JAPAN was supposed to announce the feasibility of conduct of the exhibition on January 18, 2021 which has been advised to do since September 8, 2020.

On January 7, the Government of Japan declared the state of emergency which applies in Tokyo, Kanagawa, Saitama and Chiba prefectures between January 8 to February 7, 2021.

But the government's declaration does not include request of voluntary cancellation of events and the duration of such the declaration does not include FOODEX JAPAN exhibition period and the move-in days for the exhibition.

Therefore, FOODEX JAPAN 2021 shall be organized as scheduled according the restriction by the government of Japan.

Please be informed in advance that in case the Government of Japan requests to the organizer to cancel the exhibition after January 18, 2021, FOODEX JAPAN secretariat may follow the instruction of the government.
